

Hand in Hand with the Blues

Robben Ford

Intro

E E
E E

A

I watch the streets outside my window

E E

I wait but I know you'll never come

E E

The world goes passing by People laugh
and babies cry

E E

Never knew I had so much to lose

E E

B

You introduced me to a new companion

C D Em

When you left me standing in the rain.

C Hm Am Hm

Anyone looking would've watched me go

C H7/b9 Em A7/A13.

Walking hand in hand with the blues

C D Em

Hand in hand with the blues.

C D.

Intro

E E
E E

A

I watch the streets outside my window

E E

I wait but I know you'll never come

E E

Night falls and I draw the blinds
The will to live gets harder to find

E E

I can't bring myself to face the truth,

E E

B

Another king of the brokenhearted

C D Em

Someone to share my pain

C Hm Am Hm

Anyone looking would've watched me go

C H7/b9 Em A7/A13.

Walking hand in hand with the blues

C D Em

Hand in hand with the blues

C D.

Intro

E

E

Bridge

The empty hours they move so slowly

Gm

Gm

Cold sorrow sinks into my bones

Gm

Gm

Night seems to never end

Em

Em

Pour a drink from a new-found friend

Trying to drown the pain of losing you.

Em

Em

B

We're gonna go down that road together

C

D

Em

And I'll never see you again

C

Hm

Am

Hm

Anyone looking would've watched me go

C
