

## Hand in Hand with the Blues

## Robben Ford

### Intro

Em Em  
Em Em

### A

I watch the streets outside my window Em Em  
I wait but I know you'll never come Em Em  
The world goes passing by People laugh and babies cry Em Em  
Never knew I had so much to lose Em Em

### B

You introduced me to a new companion C D Em  
When you left me standing in the rain. C Hm Am Hm  
Anyone looking would've watched me go C H7/b9 Em A7/A13.  
Walking hand in hand with the blues C D Em  
Hand in hand with the blues. C D.

### Intro

Em Em  
Em Em

### A

I watch the streets outside my window Em Em  
I wait but I know you'll never come Em Em  
Night falls and I draw the blinds Em Em  
The will to live gets harder to find  
I can't bring myself to face the truth, Em Em

### B

Another king of the brokenhearted C D Em  
Someone to share my pain C Hm Am Hm  
Anyone looking would've watched me go C H7/b9 Em A7/A13.  
Walking hand in hand with the blues C D Em  
Hand in hand with the blues C D.

**Intro** Em Em

**Bridge**

The empty hours they move so slowly Gm Gm

Cold sorrow sinks into my bones Gm Gm

Night seems to never end Em Em

Pour a drink from a new-found friend

Trying to drown the pain of losing you. Em Em

**B**

We're gonna go down that road together C D Em

And I'll never see you again C Hm Am Hm

Anyone looking would've watched me go C H7/b9 Em A7/A13.

Walking hand in hand with the blues C D Em

Hand in hand with the blues. C D Em

Hand in hand with the blues. C D Em

Hand in hand with the blues. C D.
