A year has passed since I wrote my note - I should have known this right from the start  
Only hope can keep me together - Love can mend your life but love can break your heart  
I'll send an SOS to the world - I'll send an SOS to the world  
I hope that someone gets my- I hope that someone gets my  
I hope that someone gets my message in a bottle, yeah

Walked out this morning, I don't believe what I saw - A hundred billion bottles washed up on the shore  
Seems I'm not alone in being alone - A hundred billion castaways looking for a home  
I'll send an SOS to the world - I'll send an SOS to the world  
I hope that someone gets my- I hope that someone gets my  
I hope that someone gets my message in a bottle, yeah

**Solo:**

Sending out an SOS- Sending out an SOS - I'm sending out an SOS
